

Form No:

**GokarajuRangaraju Institute of Engineering and Technology
(Autonomous)**

Nizampet-Bachupally Road, Bachupally, Kukatpally, Hyderabad, Telangana 500090

Department of Information Technology

Student Survey (end of 1st year)

Q.No	Student I year Survey	Give rating from 1 to 5, 5 being the High and 1 being the Low
1	Rate the application of Mathematics and science in your Courses.	
2	Have you done any assignments related to problem solving?	
3	Are you aware of the significance of Information Technology?	
4	Have you used software or tool to solve problem.	
5	Are you aware of the need of self-learning the contemporary issues?	
6	Are you acquainted with the need for sustainable development?	
7	Are you aware of ethical responsibility, Rate yourself in doing an assignment by yourself.	
8	Your contribution in co-curricular activities as a team member?	
9	Are you involved in group discussions?	
10	Are you contemplating higher studies in future?	

**Gokaraju Rangaraju Institute of Engineering and Technology
(Autonomous)**

Nizampet-Bachupally Road, Bachupally, Kukatpally, Hyderabad, Telangana 500090

Form No:

Department of Information Technology

Student Survey (end of 2nd year)

Q.No	Student II year Survey	Give rating from 1 to 5, 5 being the High and 1 being Low
1	Have you applied the concepts of Mathematics and Science in your Courses	
2	Have you done any assignments related to problem solving using Information Technology.	
3	Are you satisfied with the analysis of the core courses?	
4	Do you know the significance of Information Technology for the welfare of society?	
5	Have you done any assignments using tools/software not covered in curriculum?	
6	Can you apply your knowledge for welfare of society?	
7	Are you able to handle software and hardware issues?	
8	Do you abide by ethical values in performing tasks assigned to you?	
9	Your contribution in co-curricular activities as a team member	
10	Are you involved in seminars or paper presentations?	
11	Do you know about project management?	
12	Are you aware of importance of life-long learning?

(Autonomous)**

Nizampet-Bachupally Road, Bachupally, Kukatpally, Hyderabad, Telangana 500090

Department of Information Technology

Student Survey (end of 3rd year)

Q.No	Student III year Survey	Give rating from 1 to 5, 5 being the High and 1 being Low
1	Is the knowledge of Mathematics and Science in your programme so far is sufficient for solving or designing Information Technology problems?	
2	Have you done any assignments related to data interpretation?	
3	Are you satisfied with the content of the design course?	
4	Are you able to Design and Code the Concepts Covered in your courses ?	
5	Are you aware of the Software Development Process and the related Tools?	
6	Have you involved in any assignment related to real-time problems?	
7	Are you aware of Software Installation, Backup and Recovery Issues?	
8	Are you aware of ethical responsibility ?	
9	Your contribution in mini project as a team member	
10	Have you attended any seminars? If so, How many?	
11	Have you presented any papers? If so, How many?	
12	Are you familiar with project management?	
13	Have you acquired any certificate for updating your skills? If so, How many?	
14	Are you planning for any certification for updating your skills?	
15	Do you see the necessity to upgrade qualification/skills after graduation?

Department of Information Technology

Student Survey (Exit survey - end of 4th year)

Q.No	Student IV year Survey	Give rating from 1 to 5, 5 being the High and 1 being Low
1	Are you able to implement Mathematics and Science in analysis and designing of software?	
2	Have you done any case study related to problem solving in Information Technology?	
3	Are you able to design real-time projects?	
4	Are you able to Design and Code complex problems/Concepts related to your courses?	
5	Are you aware of the Software Development Process and the related Tools?	
6	Have you involved in any assignment related to real-time problems?	
7	Have you ever been part of Code Maintenance / Code Integration?	
8	Do you recognize the importance of ethics in engineering?	
9	Your contribution in main project as a team member	
10	Number of papers presented in seminars	
11	Are you able to plan and execute a project?	
12	Are you planning for any P.G. course (technical/management)? If so, When?	
13	Are you planning for any skill upgradation course? If so, When?	
14	Preferred industry to work (Government sector/Private sector/Entrepreneurship)
